Raquel Lett-Anderson turned a clever idea into what she hopes will be a million-dollar invention—the Gabriel Feeding Pad! We first met Raquel and her husband, Antonio, on our *Million Dollar Idea Challenge* show.

"After the show, we had over 3,000 e-mails from all around the world," says Raquel. "People were so excited about the product and that landed us the big deal with Babies R Us stores!"

Starting in April, look for the Gabriel Feeding Pad in a Babies R Us store near you, or visit www.gabrielfeedingpad.com.
